

Rome and the Visa White List Campaign (February 2009)

Liberalisation in an era of fatigue

Strict but fair (March 2009)

“We strongly support the visa liberalisation process, which creates real incentives for Western Balkan countries to undertake EU-guided measures that are effective in enhancing the security both of their own citizens and the EU's. The process also promises to mobilise support in the Balkans for a wider European reform agenda and to enhance the EU's credibility in the region.

We call on leaders in the Western Balkans to carry out the required reforms. We are glad to see civil society in the region increase efforts to monitor progress. We call on EU leaders and institutions to take this process seriously. The EU must not postpone rewarding countries that have made serious efforts to meet its demanding conditions. It is appropriate for the EU to be strict; it is incumbent upon it to be fair.”
